PREFATORY.

THE Autographs described in the following Catalogue were collected by the Autograph Committee of the "Old Curiosity Shop" of the Mississippi Valley Sanitary Fair, with a view to their being sold at the Fair which was held in this city in May last, for the benefit of the Western Sanitary Commission. Owing to the want of a suitable room for their proper display, and to the great variety of other articles more attractive to the eye which were there exhibited, but few were sold, and it was soon apparent that they could be more readily disposed of by a Catalogue Sale, at Auction, after the Fair was over. The delay in preparing and printing the Catalogue, and the subsequent time necessary to its suitable distribution, in advance of the sale, would have thrown it into the middle of summer. It was thought advisable, therefore, to postpone the sale, and publication of the Catalogue, until early in the fall.

The Catalogue is now offered to the inspection and liberality of not only the Autograph collectors of the country, but of all persons of literary and antiquarian tastes, in the belief that all such will find *something* of value and interest in our collection, and with the hope that the intrinsic worth of many of the articles offered, no less than the holy and benevolent cause for which they have been given, and for whose benefit they are now to be sold, will induce *all* who can do so to attend and purchase. Many of these papers are RARE and VALUABLE as Autographs, or *interesting* and *curious* as RELICS OF THE PAST; every article offered is WARRANTED GENUINE AND AUTHENTIC, and will be found to be exactly as described in the Catalogue. Among the most noteworthy of them, we would direct attention to the important and characteristic letter of ANDREW JACKSON to Col. Pipkin in relation to the suppression of a mutiny; to the long and interesting letter of Hon. EDWARD BATES, written just fifty years from the day on which he first landed here, and which so ably contrasts the St. Louis of 1814 with that of 1864; the letter of Gen. ROBERT ANDERSON, with the relics of the Fort Sumter flag and flag-staff, which accompany the same; the letters of BONA-PARTE, JOURDAN, and GARIBALDI; the numerous AUTOGRAPH POEMS and MSS. of our most distinguished authors—IRVING, COOPER, BRYANT, LONGFELLOW, HAWTHORNE, and others; and also the copy, *in the author's handwriting, and donated by the Poet himself*, of TENNYSON'S world-wide famous "Charge of the Light Brigade." An Original "SKETCH" by THOS. SULLY, the eminent Artist, and a genuine lock of Dr. CHANNING'S hair, also merit attention.

The Committee cannot close their labors without thus tendering their grateful acknowledgments to all who have so kindly and generously contributed the materials of which this collection is composed. The names of the respective donors will be found, after the description of each article, in the Catalogue. A more special tender of our thanks is however due to the managers of the METROPOLITAN and BALTIMORE Sanitary Fairs, for their generous donations of the Autographs remaining unsold at the close of those Exhibitions. And to GEO. P. PUTNAM, Esq., Prof. J. R. LOWELL, JARED SPARKS, Esq., Miss E. S. QUINCY, Miss C. M. SEDGWICK, Mrs. E. V. BASCOM, Mrs. E. H. ALLEN, F. J. DREER, Esq., R. C. DAVIS, Esq., Col. C. S. TODD, Hon. GEO. M. DALLAS, and Hon. GEO. P. MARSH, (U. S. Minister to Italy,) we are severally *especially* indebted for numerous and valuable contributions.
